Any finalist who fails to compete in finals or consolation finals, or any other bonus final heat, for which he has qualified and failed to scratch with the Clerk of Course prior to the scratch deadline, shall be banned from further competition in the meet in accordance with the USA Swimming Rules and Regulations and will be assessed a fine of \$50.00. Fines will be assessed, collected, and owed to the host team (SSAN).

In a Prelim/Final meet, the finalists and alternates for finals shall be announced and shall have thirty (30) minutes after the announcement to scratch from finals. Any qualified swimmer in the event (a swimmer is qualified for finals or consolation finals or any other bonus finals if he has successfully completed the event in Prelims) may be moved into finals due to scratches, therefore all swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet and a fine of \$50.00. Thirty (30) minutes after the announcement, no further scratches shall be accepted, the existing scratches will be tabulated and the finalists and two (2) alternates for the event shall be set. Only the finalists set at this point may be subject to the above fines and banishment from competition, even though any qualified swimmer may be moved into finals. The alternates, after the existing scratches are tabulated, will not be penalized if they are unavailable to compete in finals.
