The team must be a member of the Texas Swimming Association (TSA) for their swimmers to compete in any event and to earn team points and awards. Swimmers must be currently registered as athletes for 2026 with USA Swimming by the entry deadline and must be registered as a member of one of the five Texas Local Swimming Committees (LSC's). If an unattached swimmer is not representing a team, that individual must pay the \$50.00 TSA dues to be eligible for the meet.

**Meet Operations:** Current USA Swimming Rules and Regulations govern this meet. TSA rules will apply where allowed. TSA rules prevail over any inconsistencies between this Meet Information and current TSA rules.

**Meet Format:** This is a short course yards prelims/final meet. The 1000 Freestyle, 1650 Freestyle, 12 and under 500 Freestyle and all relays are timed finals only.

Prelim/Final events will be seeded slowest to fastest.

In prelim/final events, two heats in the 10 & under, 11-12 and 13-14 age groups, will advance to finals.

Events 500 yards and above require positive check-in. In the 1000, 1650, and 12 and under 500 Freestyle the fastest heat of girls and boys will swim during finals. However, swimmers in the 1000 and 1650 may elect a morning swim. This election is due by 6 PM the evening prior to the prelim session. If no indication is made, the entry will be seeded as if it is available for an evening swim. All other heats of the 1000/1650 will swim as the final event of the prelim session, fast to slow, alternating girls and boys. There will be a 10-minute break during prelims after the relay and before the start of the 1000/1650. All 500 Freestyles will swim in event order in prelims with the exception of the fastest heat of girls and boys in the 10 and under and 11-12 age groups. The fastest heat of 10 and under and 11-12 boys and girls will swim in finals.

**Relays:** There is not a limit on the number of relays teams may enter. All relays are timed finals. The fastest 10 seed times in each age group electing to swim in finals will swim at night during finals. Teams may elect a morning swim. This election must be made by 6 PM the evening before the relay will swim (so on Thursday at 6 PM for Friday relays, etc.) and by 9:00 AM on Thursday for Thursday's relays. If no election is made, the relay will be seeded as if it is available for an evening swim. Teams seeded in finals must either swim or scratch.

Relay cards listing the order of swimmers must be turned into clerk of course by 6 PM the evening before the relay will swim (same time that you will make an election for a morning swim) or by 9:00 AM on Thursday for Thursday's relays. You will be able to change the order of the swimmers on the relay. If you fail to turn in a relay card by the deadline, your relay will be scratched. If you plan to scratch a relay, fill out a relay card and write "scratch" on it. The order of swimmers on relay teams will be strictly enforced in accordance with 102.3.7 USA Swimming Rules and Regulations.

Relay only swimmers must be pre-entered (prior to the start of the meet) in the meet to be eligible to swim relays. After OME closes, relay only swimmers can be added to the meet for \$40 per athlete at any time, prior to the relay.

**Relay qualifications:** 1- Achieve the relay cut with 4 swimmers (relay only or qualified TAGS swimmers). Aggregate time up or swim time. 2- Each team may bring one relay only swimmer per age group and gender if they have 3 swimmers with individual TAGS times and swim all

relays per age group and gender without the qualifying time. Example: team A has 3 11-12 boys qualified in individual events but no relays. They are allowed to bring one relay only swimmer and enter all 4 11-12 boys relays without having the qualifying times. Teams are only allowed one non-qualifying relay per age group/gender/event. The relay only swimmer must be the same on all non-qualifying relays.

Example: A team cannot have 3 qualified and bring one swimmer for the 200 Free relay and a different swimmer for the 800 Free relay. When entering a 3+1 relay please enter them at the time standard to enter the meet

**Positive Check In:** The 13-14 1000, 1650 Free, and 12 and under 500 free will be deck seeded and require positive check in. Failure to check in at clerk of course before the deadline will result in the swimmer being scratched from the event. See the Meet Schedule for exact check-in times.

**Scratch Rule:** Scratching for preliminaries is required. You must scratch a prelim event you will not swim. Scratch deadline for Thursday events is 8:30am on Thursday. All other events the scratch deadline is the evening before (i.e. scratch deadline for Friday's events is 6:00pm on Thursday.) See the Meet Schedule for exact times each day. Failure to scratch an event means that event (whether you swim or not) will count as one of your seven allowed events for the meet.

Scratching for all final events is required as outlined in the current USA Swimming rules 207.11.6D and 207.11.6E: Any finalist who fails to compete at finals or consolation finals, for which he has qualified and failed to scratch with the Clerk of Course prior to the scratch deadline, shall be banned from further competition in the meet in accordance with the USA Swimming Rules and Regulations.

In this Prelim/Final meet, the finalists and alternates shall be announced and shall have thirty (30) minutes after the announcement to scratch from finals. Any qualified swimmer in the event (a swimmer is qualified for finals, consolation finals or any other bonus final heat if he/she has successfully completed the event in Prelims) may be moved into finals due to scratches. Therefore, all swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet. Thirty (30) minutes after the announcement, no further scratches shall be accepted, the existing scratches will be tabulated and the finalists and two (2) alternates for the event shall be set. Only the finalists set at this point may be subject to the above banishment from competition, even though any qualified swimmer may be moved into finals.

A swimmer qualifying for a bonus, consolation or championship final based upon the results of the preliminaries notifies the Admin Referee within thirty (30) minutes after announcement of the qualifiers for that race that they may not intend to compete and further declares their final intentions within thirty (30) minutes following their last individual preliminary event (USA Swimming Rule 207.6.E(2))

**Entry Deadline:** There are two entry deadlines. Regular entry deadline is 6:00pm CDT Thursday, February 26, 2026. OME will automatically close at that time. New Qualifiers entries, also on OME, will close Monday, March 2 at Noon.

**Entry Fees:**

Individual Events: \$15.00 each

Relay Events: \$30.00 each

Facility Surcharge: \$25.00 per swimmer, including relay only

Deck Entries: \$30.00 per individual event, \$60 for relays.

TSA Dues: \$50.00 per team

Coaches Deck Pass: \$20.00 per coach

**Entries:** Swimmers may enter as many events as they are qualified to swim but they may only compete in a total of 7 individual events during the entire meet with no more than 3 individual events during any one day, plus 2 relay event per day. If you enter more than 7 events, you must scratch the events you don't want to swim. See "Scratch Rule" above.

Teams may list up to two alternates per relay as relay only swimmers. Alternates that may be used on a relay at the meet must be entered in OME.

Entries for TAGS must be completed in USA Swimming's online meet entry (OME) system. Entries will open in OME on January 1, 2026. You are not entered in the meet until you have checked out and paid for your entries in OME. OME saves your entries and you can complete your entries in more than one sitting. But once you check-out, you cannot delete an entry (but you can add additional entries until the entry deadline). Coaches Deck Passes are \$20. Coaches must register in OME to receive a deck pass. All entry fees, except deck entries, should be paid through OME.

A Hy-Tek file is available on the Mansfield Aquatic Club website and TSA website for running eligibility reports and working out relays, but teams may NOT submit entries using Hy-Tek. For help with the entries, contact Katie Trace or Trey Freeman at USA Swimming (719-866-3506) or [Ktrace@usaswimming.org](mailto:Ktrace@usaswimming.org) or [Tfreeman@usaswimming.org](mailto:Tfreeman@usaswimming.org)

If you have an entry question, please contact Nick Johnson ([mansfieldmeetentries@gmail.com](mailto:mansfieldmeetentries@gmail.com)) for facility questions, Tom Applegate ([Tom.Applegate@rockwallisd.org](mailto:Tom.Applegate@rockwallisd.org)) for TSA/TAGS rules questions. Email is preferred.

**Non-conforming times and distance events:** Swimmers qualifying with a "non-conforming" time (LCM) should enter that event using the non-conforming time. This allows OME to prove a qualifying entry time. All events will be seeded SCY first then LCM (with the exception of the 1000 Free and 1650 Free).

A swimmer that has the qualifying time for the 1650/1500 Freestyle also qualifies for the 1000 Freestyle. If entering the 1000 Freestyle with the 1650/1500 Freestyle qualification, the swimmer must enter the 1000 Freestyle with their 1650/1500 Freestyle time. This will provide proof of qualification for the event and will allow the swimmers to be seeded in the correct order: 1000 SCY, 800 LCM, 1650 SCY, 1500 LCM. Conversely, a swimmer who qualifies for the 800/1000 Freestyle qualifies for the 1650 Freestyle. If entering the 1650 Freestyle with the 800/1000 Freestyle qualification, the swimmer must enter the 1650 Freestyle with their 800/1000 Freestyle time. This will provide proof of qualification for the event and will allow the swimmers to be seeded in the correct order: 1650 SCY, 1500LCM, 1000 SCY, 800 LCM.

**13-14 50s of Stroke:** 13-14 athletes will enter 50s of stroke with their 100 time. Example 50 Butterfly will be entered with 100 Butterfly time.

A 13-14 medley relay with a qualifying time in the 400 automatically qualifies for the 200-medley relay. If entering the 200 medley relay teams should enter with their 400-medley qualifying time. ONLY ENTER 200 TIMES IF YOU DO NOT HAVE THE 400 TIME; 400 times should be entered first.

**Proof of Times:** OME will automatically provide proof of time. However, if you override a time in OME, you will be required to provide proof of time.

For all rules and explanations pertaining to TAGS Proof of Times, swimmers and coaches should refer to the TSA handbook. If a meet is in the USA Swimming database, coaches do not need to bring a hard copy to TAGS to prove any relays or individual swims aggregated together for qualifying times.

**Bonus Swims:** Swimmers with 1 regular cut can swim bonus events they have bonus times in up to the daily maximum.

**Deck Entries:** Deck entries will be accepted. Deck Entries are \$30.00 per individual event, \$60 for relays. Deck entries will close 60 minutes prior to the start of the session to be entered. Swimmers not previously entered in the meet must have achieved the entry time during the qualifying period.

**Opening Ceremonies/Athlete Recognition:** There will be a short opening ceremony on Thursday, March 5, 2026 at 8:50 AM. Each team will be introduced and recognized. Teams will not parade. The session will start approximately 10 minutes following the opening ceremony.  
**Credentials/Registration/Deck Access:** All coaches, officials and participating athletes will be issued credentials. Only people with credentials will be allowed access to the deck.

Coaches must register in OME for a deck pass.

Coaches and officials will be required to show their current USA Swimming registration card or proof of membership using the USA Swimming Deck Pass app in order to receive their credential.

Coaches may pick up their team's credential tags at the registration desk beginning Wednesday, March 4 beginning at 5:00 PM. The registration desk will be located just inside the athlete and coach entrance. Replacement credential tags will be available at a cost of \$20.

Volunteers will be given a credential to access the deck and help for that specific purpose. Any non- registered individuals not respecting these rules will be removed from that area or from the facility at the discretion of the Meet Director or Mansfield Aquatic Club staff. Deck passes are only available for coaches.

Deck passes will be limited based on a Team's number of swimmers entered in individual events. Teams with:

1 – 4 swimmers will be allowed 1 deck pass; 5 – 8 swimmers 2 deck passes,  
9 – 18 swimmers 4 deck passes,  
19 – 40 swimmers 5 deck passes and 41 or more swimmers 7 deck passes.

**Timers:** Athletes will need to provide timers & counters for the 500/1000 & 1650 (am swim) and must come from existing credentialed athletes and coaches. Parents will not be allowed on the pool deck to time or count. Each team entered in the meet will be responsible for providing additional timers. Each team will be responsible for providing timers based on the number of swimmers entered. Timers will be called for prior to the start of each session. Lane Timer assignments will be announced after entries are received. Please come ready to time.

**Scoring:** All events will be scored by age group (10 & under, 11-12, 13-14). The top 20 places will score.
